

Wisconsin Valley Library Service presents...

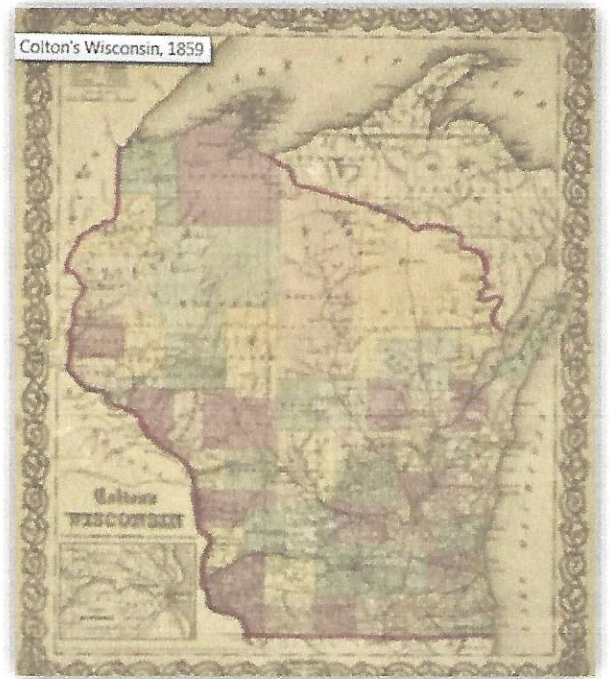

## Digitize Your Local History!

Seating is limited!

Choose from one of these dates/locations

**9:00 am – 5:00 pm:**

- *Tuesday, March 29, 2016 at Nicolet College in Rhineland*
- *Wednesday, March 30, 2016 at WVLS Office – Wausau*
- *Thursday, March 31, 2016 at the Frances L. Simek Library in Medford*

*Join John Sarnowski of the ResCarta Foundation as he guides you through the process of scanning, digitizing, creating metadata and a web-friendly version of your community's local historic photographs.*

*This workshop will prepare you and your library with the information needed to host a "ScanDay" at your library. This "ScanDay" is where local materials are gathered, digitized, described, collected and hosted to a public web site. This workshop will also cover volunteer training, promotion, work flows, deed forms, equipment required, software and infrastructure necessary to pull off a successful community event.*

***These classes are limited to 6 persons due to the hands-on nature of the instruction.***

*Laptops, snacks, and lunch will be provided at all of the sites.*

*Plan on a full day of learning. (7 CEUs)*

Please register with Inese Christman at [ichristman@wvls.org](mailto:ichristman@wvls.org) or call for more details at 715-261-7257 by Monday, March 21, 2016.

*If you require special accommodations please contact WVLS in advance and we will endeavor to assist you.*
